PORTFOLIO
self-description-website.netlify.app

TECHNICAL SKILLS

Front end
React, JavaScript, HTML, CSS

Back end
Node.js, Express

Tools
Git, GitHub, VS Code, Microsoft Office

Deployment
AWS Elastic Beanstalk, Netlify

LANGUAGES

Albanian	Native
English	Fluent

SOFT SKILLS

- Communication
- Teamwork & collaboration
- Problem solving
- Time management
- Adaptability under pressure

ALTEO KADRIU

Front-End Developer

React · JavaScript · Node.js

PROFILE

Computer Engineering graduate and front-end focused developer with hands-on experience building web applications with **React**, **JavaScript** and **Node.js**. Familiar with backend APIs and cloud deployment on **AWS** and **Netlify**.

PROJECTS

E-Commerce Web Application

React · Node.js · Express · AWS Elastic Beanstalk

Built a full-stack e-commerce interface with a product catalog, product detail pages and shopping cart functionality. Connected a React front end to a custom Node.js/Express backend and deployed the application to AWS Elastic Beanstalk.

github.com/Alteo718/ecommerce-project

Chatbot Application

React (Vite) · JavaScript

Built a rule-based conversational chatbot in React that matches user input against defined patterns to generate responses. Focused on chat UI state management and conversational logic.

github.com/Alteo718/chatbot-project

Personal Portfolio Website

React · Netlify

Designed and built a responsive portfolio website from scratch to showcase skills, projects and background. Deployed and maintained on Netlify.
